The Story of the Izzy Doll

An Izzy Doll is a small, handmade doll that has become a symbol of Canadian peacekeeping and humanitarian work. It was inspired by Master Corporal Mark "Izzy" Isfeld, a Canadian Military Engineer who lost his life while clearing landmines in Croatia.

Mark often carried these dolls, made by his mother Carol, to distribute to children in war-torn areas. The dolls brought comfort and joy to children who had experienced trauma and loss.

The Izzy Doll initiative continues today, with volunteers (like you!) knitting and crocheting dolls to be sent to children in need around the world. They are a powerful symbol of compassion and hope.

Thank you for participating in this worthwhile initiative.

Did You Know?

Izzy dolls are designed to be transported by Canadian soldiers in the pockets of their uniforms. Please do not use any plastic buttons or metallic pieces as they could become choking hazards. They must be lightweight and the overall size of completed Izzy Dolls should be 13 to 16 cm (5 to 6 inches) in height.

Get Creative!

Izzy Dolls must all resemble humans. Their "clothing" comes in all styles and colours and creativity is encouraged! Long hair, short hair, braided hair, no hair, skirts, dresses, shirts, pants, hats, bonnets, or the traditional UN blue beret and soldier uniform are all welcome!

Please vary the skin tones used. Note that only natural coloured skin tones such as light, medium or dark brown, or, white, cream or black are acceptable. Izzy Dolls are sent to a variety of different locations across the globe and our goal is for the children to feel that the Izzy Dolls represent them well.

Eyes and Mouth

- After assembly, using embroidery thread or yarn add eyes and a mouth to your doll. Eyes can be any natural eye colour (light or dark brown, blue, green, or black).

Assembly

- You should have a rectangle with colour blocks. Fold work in half, match colour blocks and join seam with each colour tail that you have left. Weave ends into work.
- Turn inside out so that the sewn seam is to the inside. Fill with polyester stuffing until doll is a reasonable size. This is a personal decision as to what looks best. Too much filling will pull the stitches apart and too little will make a 'skinny' doll.
- Once you have filled the doll to your liking sew the hat closed at the top.
- Using Colour C and yarn needle, anchor yarn at the beginning and weave yarn through all single crochets. Once you've made it back to the beginning pull the hat closed and fasten off.
- You can be as creative as you like with added embellishments such as lace, crocheted bow, belt, buttons or hair. All embellishments must be crocheted or embroidered, no plastic or metal additions are permitted.
